Welcome

Welcome to the eleventh annual ABBI World Premier Sale!! We are thrilled you've decided to join us as we continue to make history and create exciting new avenues of opportunities for our breeders and stock contractors.

Over \$5 million has traded hands over the last nine Premier Sales, which we truly believe to be the bucking bull industry's most influential yearly sale. From the most sought after genetics to one-of-a-kind lots, this is the Sale where you can find something truly special. In past years we've sold bulls who went on to be PBR Short Round standouts and World Champion Bull contenders including Pearl Harbor and Handsome Jeff. You will see phenomenal genetics in this sale once again and we are honored to have animals representing some of the best bloodlines in bucking bulls today.

We are excited by the animals we have assembled this year for the ABBI Premier Sale and are glad you decided to join us for this event. Whether you are just starting out in the industry, need to add new genetics to your herd, are looking for a bull to compete with in the ABBI or want a PBR buckler, we have something for everyone.

As you study this catalog and the videos online, you will see sons and grandsons from some of the greatest arena competitors, as well as offspring of industry's most prolific sires and dams. With over 350,000 bucking cattle in our DNA Registry, ABBI understands the importance of genetics and our committee has worked tirelessly to bring you this selection of bucking bulls that we hope will be significant importance to their new brands.

Phone bids can be taken live during the event, however we request that you touch base with us over the phone pre-event if you are planning on bidding and can't join us in person. This way we can ensure things run smoothly using your preferred bidding method. The call-in number for phone bidding is 719-229-5483. Thank you for your support of these ABBI Sales and we wish you the best.

Sincerely,

ABBI SALE COMMITTEE

026 Let's Roll is a four year old bull with his whole life ahead of him. He's been a money earner at every level and has proven himself on the biggest stages in bull riding already! He was selected to the 2024 PBR World Finals where he was marked 45 points with Alex Cerqueira and then ridden for 89.50 points by Sage Kimzey that same week. He's had the best guys in the world on him and has been consistently marked 43-44 points. They've been 89+ on him at UTB & PBR Teams events this year and he's been tried by the best in the world. There's not a hole in this young bull and he will work on any truck at any level. I've hauled him everywhere from Houston, TX to Billings, MT, he's been bucked twice in one weekend, and he's been ridden and came back just as strong the next trip. He's won over \$38,000 in ABBI LTE and has been marked as high as 92 points in his career, he's done it all at every level! Genetically speaking, he is sired by PBRF & NFR bucking bull 16C Strange Cargo, a D&H raised son of \$100k winner Test Fire and out of the great foundation female, Page 16-132. His dam is a daughter of Kish's Wildly Legit, an NFR bull with quite the resume as well. The D&H X Kish cross has worked for decades and it's still working today. Buck him and breed him, we've done both and we're excited for what is to come.

Consignor retains the winnings from Las Vegas and new owner will take ownership after the classic finals is over. Consignor also reserves the right to 75 straws of semen at our cost to collect.

This #3 bull in the Derby class, 141 Rockabilly, was sired by 75 Billy Frank (out of 32Y Bruiser) and a daughter of past Classic World Champion 705 Back Bender (out of-27 Fender Bender). He's ranked #1 in money won, #2 on points with an average Derby score of 87.78. In the Classic, he is #4 in points and 7th in money with an average of 89.87. His earnings this year are just over \$54,000. Rockabilly has already sired some big, long-legged calves that move with his same fire, showing his potential to be a producer. They don't breed them any better. He is ready to haul, ready to buck, ready to win. And he just might be one of this year's world champions. Owners retain all proceeds that the bull wins during the ABBI World Finals: buyer takes possession after the bull bucks in the finals.
