Notes

TERMS AND CONDITIONS OF SALE

TERMS: Sale clerked by Nolan Sales LLC. Regular auction terms - cash or personal check.

WARRANTY: All animals are believed to be straight and right unless otherwise announced or indicated in the catalog. Every precaution will be taken to represent the physical condition of each animal exactly as it is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale. If found not being as represented, such complaint should be reported to the seller at once. If no such complaint is registered, it is to be assumed the buyer has accepted the animal as warranted when sold. Complete and sole title to the animals is guaranteed. All buyers are requested to handle the udders of the animals (all cows or heifers) purchased before loaded in the buyer's truck. After being loaded, the consignor's responsibility of udder guarantee is ended.

BREEDING: All females, either open or bred, are breeders to the best of the seller's knowledge and belief. However, no breeding dates or pregnancy can be guaranteed unless so announced at the time of the sale.

SOUNDNESS: Every precaution will be taken to represent the physical condition of each animal, and having taken these precautions to represent their condition, no further guarantees or retest privileges are given or implied and all sales shall be considered final.

RISK: All animals are at the risk of the purchaser as soon as sold, but will be cared for free of charge for a reasonable length of time after the sale.

SHIPMENTS: All possible aid will be given in making shipments after the sale. Any expenses incident thereto are at cost to the purchaser.

ACCIDENTS: Neither the auctioneer, sales director, or the owner will in any way be responsible for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

JOHNE'S DISCLAIMER: There is no warranty, expressed or implied, that animals being sold within this sale are uninfected with Paratuberculosis "Johne's Disease". This is buyers written notice as required by 1989 Wis. Act 277, Wis. Stats. Sec. 6 95.196. Effective June 1, 1991. S.402.316 (3)(C).

ERRORS: The material in this catalog is carefully edited. If any typographical or other errors are discovered, they will be announced, such announcements take precedence over the matter of print in this catalog. Neither the editors of the catalog, or the sales management can assume any responsibility for any errors that may creep into the catalog.
