Brothers, Marcus and Chester Martin started Two-Top Holsteins in 1980. Today this 300-cow herd is owned by Chester's daughter Shaina and her husband, Clint Ferguson. The rolling herd average is 27,800 4.4f 3.1p. Over the years numerous All-PA and Jr All-PA honors were captured along with two All-American nominations along the way. To date they have bred 32 Excellent (1 at 94) and 390 Very Good cows. These fine folks have been active leaders in the Franklin County Holstein Association. Buyers of Two-Top Holsteins always have great success!
