POSTHAVEN HOLSTEINS began operations on June 18, 1997, at the former Dreamstreet/Mansion Valley farm; with a total of 18 cows that Andy brought with him from Pineyvale. For the past 28 years, we have taken great pride in expanding our herd and our barns are overflowing, so we are offering some of our finest animals in this sale.

We are forever grateful to Francis Jenkins Jr. and his wife Christie for giving us the opportunity to pursue our lifelong passion of dairy farming and the extended Jenkins family for allowing us to continue the journey here! Thank you so much for putting your trust in us with a handshake!

Thank you to Andy's family for instilling the love and knowledge of the Holstein cow on to the next generation.

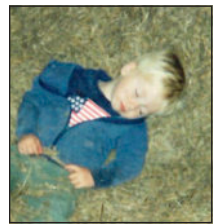

To every person who has crossed our path, (there are too many to name) whether you offered a helping hand, advice, a smile, pat on the back, words of encouragement, purchased animals, just showed up or were employed by us; please know that you made a difference! **WE APPRECIATE YOU!** Thank you for being on this ride with us!
