150TH NATIONAL AYRSHIRE CONVENTION

The Cow for All Seasons

SATURDAY, JULY 5, 2025

11:00 AM EST

JULY, 2025

WELCOME AYRSHIRE ENTHUSIASTS,

Ayrshire - The Cow for All Seasons. Hosting the 150th US National Ayrshire Convention & Grand National Sale has been the honor of the Vermont Ayrshire Club. In 1975 we hosted the 100th National Convention & Sale in Rutland, Vermont and hope that this year's 150th will be as influential in offering genetic gems as that sale proved to be.

In 1975 our sale boasted Oak-Ridge Buis Bonnie as the high seller. She sold to Palmyra Farm in Hagerstown, Maryland and went to be the foundation of arguably the most affluent cow family in recent history through creating the super bull Burdette. Also of note, Vermont hosted the 2021 Grand National Sale and broke the long standing record for high sale average. On that day Galney EPC LH Rosy-ET sold as a sale favorite and went on to be the foundation of the cow family that produced World Dairy Expo Grand Champion, Palmyra Berkely Ruth (EX-94) whose influence on today's Ayrshire population is felt around the world.

This year's sale features a unique 'Vermont Style' in our consignment line-up. Many of our sale features come from small organic, grass based or no grain managed herds. This demonstrated the true versatility and profitability of the Ayrshire breed. We are particularly proud of some of the high lifetime producers displayed in the pedigrees.

Consignments include embryos and offspring of some of the World's most respected cows, high index potential bull mothers, polled sensations and the highest level of show prospects, Special thank you to the consignors who have unselfishly offered their very best genetics to this historic sale. Thank you for your faith in us and the future of our breed.

We welcome your participation in the US Grand National Sale as we celebrate 150 years of 'Ayrshire, the Cow for All Seasons'.

The 2025 Grand National Ayrshire Convention Sale catalog cover is more than just a design - it's a tribute to Vermont and New England's deep-rooted dairy heritage and a bold statement about the future of the Ayrshire breed. Mansfield Main's Betty's Elf, a standout show and production cow from the 1970s. Her modernized image honors history while representing today's cows that can perform with type and production. The design bridges past and present, celebrating the strength, style and productivity of the Ayrshire breed.

TERMS AND CONDITIONS

TERMS: The terms of the sale are cash or check made payable to sale management for the full purchase price in U.S. funds on sale day. The seller, sponsor or sale manager reserves the right to require payment by certified check or in cash. If other arrangements for payment are made with the seller, a written agreement acknowledging such terms and signed by both parties must be filed with the sale clerk prior to release. All payments must be made to the sale clerk. No release will be given prior to satisfactory settlement, whereupon a signed order from the clerk must be presented to the loading crew. Seller retains title until payment has been honored unless other arrangements are made. Buyers are entitled to warranties as listed below only after full compliance with these terms.

BIDS: The highest bidder shall be the buyer. Every animal is pledged to absolute sale unless withdrawn for cause as determined by the sale manager. In case of dispute the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. If two or more claim the bid, the auctioneer shall indicate the party whose bid was recognized. Other claimants will be given an opportunity to increase the bid. Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog or announced from the auction stand.

CERTIFICATES OF REGISTRATION: Certificates of registration showing transfer to the buyer on the records of the Cattle Association for which they are registered, will be furnished by the seller for each animal at no cost.

CATALOG INFORMATION: The material in the sale catalog has been carefully edited. Any errors, omissions, or information noted after the printing of the catalog will be announced from the auction stand. Such announcements will take precedence over printed matter in the catalog. In any event, neither the sponsor nor the sale manager shall be responsible for errors or omissions.

RISK: All animals are at the purchasers risk as soon as struck off, but will be cared for at no cost for 24 hours. Purchasers must make arrangements for care of their purchases beyond the 24 hour period. Animals are solely at the seller's risk prior to being struck off, including the time while under the care and supervision of the sponsor or sale manager.

BREEDING WARRANTY: The seller guarantees his/her animals to be breeders.

WARRANTY: The seller warrants clear title to the animal and the right to sell the same. The seller makes no other warranties, express or implies, including without limitation, merchantability or fitness for a particular purpose. All warranties cease when an animal is resold or transferred by the original purchaser.

HEALTH CERTIFICATE: The seller will provide to the buyer an official health certificate for interstate shipment of each animal. No warranty is made as the condition or health of the animal or the result of any future health test or as to the condition of an animal's udder following calving. Herd and/or area accreditation and certification statues and calfhood vaccination status will be printed in the catalog or announced from the auction stand. Health test and condition for sale to states with special health requirements are the sole responsibility of the buyer unless otherwise announced from the auction stand or otherwise agreed prior to sale between the seller and the potential buyer.

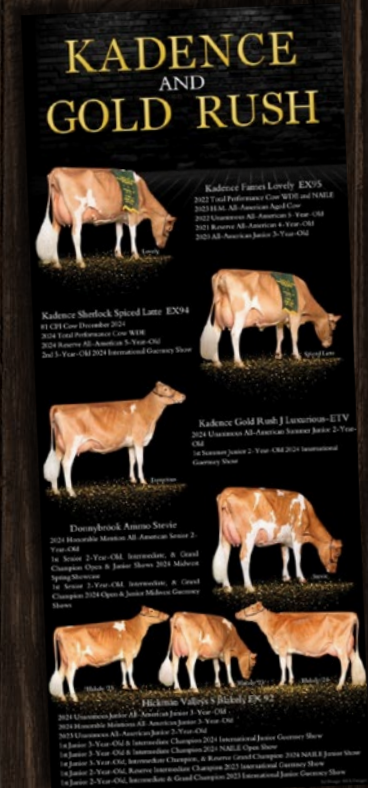

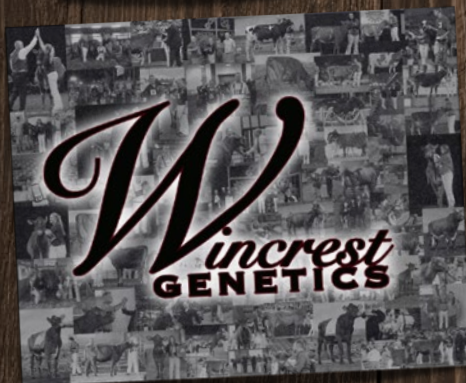

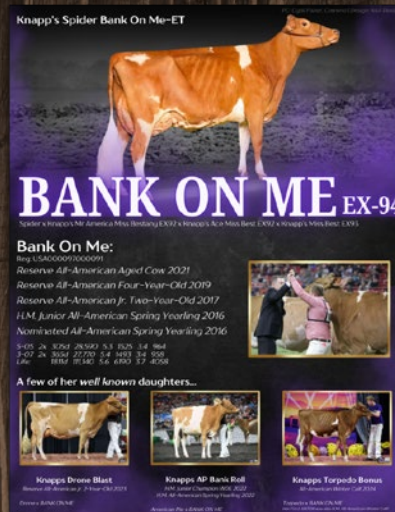

SHIPPING: Assistance will be given in loading and shipping animals after the sale but no risk is assumed by anyone associated with the sale when such assistance is given. All costs, risks, and responsibilities are borne by the buyer, and transportation chares on all animal subject adjustment shall be paid by the buyer, unless other arrangements are made.

ABSENTEE BIDDERS: While it is preferable for prospective bidders to attend the sale in person, for the convenience of those not present, members of the sales force will represent you at the sale. Others handling bids for absentee buyers should identify themselves to the sponsor or sale manager before the sale to ensure that the terms of the sale are complied with. Any person handling a bid for an absentee buyer does so as agent only and is not responsible to the buyer for any animal purchased in the capacity.

RESPONSIBILITY: The seller is solely responsible for all warranties, as to animals offered for sale. The sale manager, auctioneer, and sponsor are acting as agents only and are not responsible for the title, condition, quality, fitness or productiveness of any animals sold. Examination of all purchases should be made immediately after purchase and any complaint must be reported to the sale manager before the close of the sale. Neither the sale manager, sale sponsor, the seller, the auctioneer, nor anyone associated with sale shall be responsible for accident, injury, or property loss to anyone attending the sale. The sale manger, sponsor, and auctioneer shall not be liable for payment of the purchase price of any animal sold. In submitting entries and/or selling animals the seller agrees to the terms and conditions set forth herein and assume full responsibility of his or her animals.
