HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, March 26, 2010 and March 24, 2016

TERMS: The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

RESPONSIBILITY: The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

EXPORT SALES: Buyer assumes all responsibility for health tests required by the importing country.

BIDS: The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

BY-BIDDING: Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

TRANSFER OF OWNERSHIP: For all Registered HolsteinsSM, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

RISK: All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving. The sex of an embryo or fetus is in no way guaranteed.
- 3) **Breeding Warranty**
The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:
 - a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:

1. Cows over 7 years of age when sold;
2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

SHIPPING: Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

GENOMIC INFORMATION: If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

TERMS and CONDITIONS - Hammertime in the Caribbean Sale

Please review these terms and conditions for all lots selling in the

Hammertime in the Caribbean Sale on January 13, 2026

These Terms & Conditions will be used in conjunction with Holstein USA Terms & Conditions for Public Auction.

Buyers

Purchase of Live Animals (Lots that do not have a choice to be made)

If you purchase any lot that is a single animal, live on sale day, regardless of her age or location, you are obligated to pay the full purchase price of the animal on sale day. Buyers can protect their investment by purchasing insurance at the sale or providing insurance through a company of their choice. If Buyers do not acquire insurance immediately at the time of purchase, Buyer is self-insuring the animal and assumes all risk at that point. It is not the Sellers nor Sale Managers responsibility to insure cattle for the Buyer once the gavel has fallen whether purchased by the Buyer at the sale, through an agent or on the internet. However, the seller will work with the buyer to provide all necessary documentation.

Choice of Flush or Choice of Multiple Animals/Individual Live

35% of the selling price is due on sale day, unless noted otherwise in the catalog or announced, to sale management. The remaining balance is due direct to the seller upon selection of your purchase. Purchase of choice of flush or choice of multiple animals sold require Buyer to select their purchase by the time the youngest animal in the package reaches 4 months of age unless otherwise noted or announced. All health testing and insurance details outlined in these terms and conditions shall apply.

Payment for ALL live animals is expected immediately! All animals are guaranteed in good, sound health at the time of the sale. Upon completion of the sale, the animal will be health charted with a CVI issued by a licensed veterinarian. All the necessary tests for interstate movement (TB, BVD-PI and Brucellosis – if age appropriate) are guaranteed negative and the animal will be vaccinated for shipping fever. If the buyer wishes to insure their purchase, the seller is required to provide all info needed to do so. Live cattle purchased by Canadian buyers and traveling to Canada will need to have additional, special testing and export certifications. This extra expense will be the sole responsibility of the buyer. After required health chart is provided, the Seller's only post-sale responsibility is to provide adequate and proper housing and care for the animal until she is picked up by the Buyer or his agent. It is the sole responsibility of the Buyer to arrange for transportation of the purchased animal. It is the Buyer's responsibility to provide Seller with information needed for interstate health charts for delivery of the animal and transportation plans and instructions. We have provided a list of truckers in the front of this catalog who can assist in transportation and phone numbers and emails of all consignors are included for your convenience. All animals in the sale may be inspected by prospective Buyers or their agents prior to the sale upon request to the seller.

IVF Sessions

Buyer is purchasing rights to control the next IVF session(s). Buyer is guaranteed IVF sessions until a minimum of 8 #1 or #2 IVF embryos are produced. Embryo grades are determined at the time of transfer if fresh embryos or at time of freezing if freezing is requested by buyer. Buyer keeps all resulting embryos from these controlled IVF sessions. Buyer is responsible for all costs of the aspiration and mating sire decisions. If embryo amount is not achieved with 3 IVF sessions, purchaser is entitled to a pro-rated refund based on the number of embryos received.

Sellers

Any animals sold in absentia under 4 months of age can be housed at the Seller's facility at no extra charge to the Buyer until that animal is 4 months of age, if the buyer so wishes. For an animal sold in Absentia that is over 4 months of age, the Buyer will be responsible for board fees of \$8 per day until the animal leaves the Seller's facility. For this sale, the Buyer will have a grace period until 2/13/2026 where no board fees will be charged.

Seller guarantees a sound, healthy, animal at the time of the sale. Seller will prepare health charts for interstate travel for all animals in the sale immediately upon receiving instructions from the buyer. The only tests that are guaranteed to be provided by the Seller are TB, Brucellosis (age appropriate) and a vaccination for shipping fever.

The seller agrees to provide all necessary documentation if the buyer wishes to insure their purchase.

Seller will work to provide adequate care for the cattle that are sold to a new Buyer and will notify Buyer immediately in the event of illness or sudden death of an animal should occur. Any veterinarian care or autopsies performed will be at the buyer's expense.
