Pick of Flush Sale

SATURDAY, JANUARY 10, 2026

AUCTION OPENS WEDNESDAY, JANUARY 7 &
BEGINS CLOSING SATURDAY, JANUARY 10 AT 7 PM ET

TERMS

1. Embryos are sold on a per embryo basis times the number of embryos offered in the package unless otherwise noted or announced.
2. The final bid must meet the seller's reserve price to be considered sold.
3. All purchases must be settled within 5 business days of the sale payable to the Ayrshire Breeders' Association, by check, wire transfer or credit card payment. All fees for such payments are the responsibility of the buyer.
4. It is the responsibility of the BUYER to pay all shipping costs associated with getting embryos to the location of their choice.
5. Should a buyer want embryos exported, please contact the seller directly, prior to the sale to determine exactly which countries the embryos are eligible for export to. All testing, health charts, charting and shipping fees will be the responsibility of the buyer.
6. No embryos will be shipped, or released from any facility until complete settlement has been made with the sale manager.
7. Buyers are provided with the deadlines to choose their pick of flush and should correspond directly with the seller.
8. Emails and contact phone numbers of each consignor have been supplied on each lot for buyers to contact sellers regarding shipping and handling.
9. All announcements will take precedence over printed material.

Genetics you build generations from

HAPPY NEW YEAR!

For years, the NextGENeration sale has been all about offering genetics you can build generations from. Whether you're after offspring from this year's World Dairy Expo champions and All-Americans, cows bred to milk and last or something in between, you'll find it here. With consignments for every program and price point, there's an opportunity for everyone to get started building the next generation.

We can't wait to see how Ayrshires help you reach your goals and build generations for years to come, starting with what's being offered in this sale!

- The Sale Committee

AUCTION FORMAT

This auction will use an auto-extend soft closing. All lots will close at the same time. Bidding will begin closing between 7:00 and 7:02 PM ET. If any lot receives a bid in the final minute, bidding on all lots will automatically extend by two minutes. This process will continue until there has been no bidding activity for two full minutes, at which point all lots will close simultaneously.

Bidding will take place exclusively on cowbuyer.com.

Bidders must be pre-approved. Contact Aaron Ray Tompkins at 336.363.4639 or atompkin@vt.edu with questions.
