# For your information

## Terms of the Multimedia Sale

**We will not have the cattle present at the sale. They will only be represented by Video footage and/or a slide show. Below are explanations of those notes.**

**Full payment for each lot is expected at the sale! Wire transfers and/or certified checks overnight shipped to PA Holstein Association are the preferred payment methods for buyers not in attendance. Except choices that are not four months of age or younger!**

### 1. Pick-up animal by 2-21-2026-Unless otherwise stated on each lot selling

Each live animal selling in absentee must be paid for and picked up by that date. This includes some choices that all available animals are older than four months of age! Please contact the consignor to arrange the pick-up.

For each day passed 2-21-2026 the seller is entitled to charge for continued care of animal sold!

**Full payment must be made before pick-up is conducted.**

It is strongly suggested that you insure the animal on sale day to protect you as the buyer and the seller from the unforeseen. An insurance page is included in this catalog.

### 2. Standard ET Terms

This pertains to choices that are due throughout 2026! In addition there are choices of calves that are already on the ground, but are younger than the standard four months of age.

As for payment 25% down of the sale price is expected on sale day. The remaining balance is due to the consignor when the youngest calf available is four months of age. The selection will be made at that time.

For each day passed the four month window the seller is entitled to charge for continued care of animal sold!

### 3. Embryos

Embryos will be at the consignor's farm or at an accredited ET facility. It is the buyer's responsibility to make arrangements for the procurement of the embryos. Any cost associated with this is the buyer's responsibility. **Full payment on embryos should be made at the sale.**

### 4. Health Testing

The seller will test the cattle sold for TB, Brucellosis and BVD after the sale if the buyer requests. Appropriate testing for HPAI ACH5N1 (bird flu) will be done on lactating cows bound for other states. Health charts will be prepared as needed. If a Canadian buyer acquires a lot then the additional testing and official paperwork is the responsibility of the buyer!

All cattle will have current vaccinations prior to leaving the sellers farm!

## PICK ONE FROM SIX WINTER CALVES (Select Calf by 3-1-2026)

Inspired by Nicole's teaching career, the PA-A-Plus prefix was born in 2012. Jeff, Nicole, and four kids, Lilly, Luke, Liam, and Lincoln began their own herd in 2024 at Marburger Farms Dairy in Evans City, PA. This farm is where Jeff managed the herd for the Marburger family for 10 years ending with a highly successful dispersal of select cattle with the Marfady prefix. They have bred and developed one EX-94 cow so far, PA-A-Plus Doorman Luxury. Along with investment in significant cow families, Luxury is the base of the new venture that is located just 10 minutes from the Convention hotel. The Ansell's invite you to the farm to check out these beautiful winter calves that they offer! Only because the Convention is in the neighborhood are they offering this cool opportunity!

Woodedge Farm is a best kept secret kind of herd! Dustin, his father, Rod and family own and operate the farm in Mifflin County. This highly productive herd has an RHA of 28017m 1137f 885p on 175 Holsteins! The Kauffman family have bred 63 Excellent & 390 Very Good cows so far! They expanded twice in 2009 and again in 2024. A successful purchase was Doorman embryos out of a Redburst daughter of Talent Tillie 4E-95. One of those Doorman embryos resulted in MS Woodedg Door Trifecta-ET VG-86 who was 1st Milking Yearling at the 2018 Premier National Jr Show & was Jr All-PA! A VG full sister has two EX daughters (Tastykake & Twilight) thus far along with tremendous homebred pedigrees like the "P" family. P Family goes back to Poinsettia then EX-92 Woodedge Hi-Metro Petunia x EX-90 Woodedge Outside Pearl x 91-5E Woodedge Mark Pasta, 300,000lbs

# HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

**TERMS:** The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

**RESPONSIBILITY:** The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

**EXPORT SALES:** Buyer assumes all responsibility for health tests required by the importing country.

**BIDS:** The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

**TRANSFER OF OWNERSHIP:** For all Registered Holsteins<sup>SM</sup>, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

**RISK:** All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

## WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.

### 3) Breeding Warranty

The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:

- a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
  1. Cows over 7 years of age when sold;
  2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

**SHIPPING:** Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

**PEDIGREE INFORMATION:** All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

**GENOMIC INFORMATION:** If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

**EMBRYO TRANSFER:** All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

**HEALTH WARRANTY:** The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

**ACCIDENT:** The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

**LIMITATIONS OF WARRANTIES:** Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
