The evening before

THE EASTERN BREEDERS SALE

FRIDAY, OCTOBER 23 | 7:00 P.M. CLOSE

Welcome to the Top Acres Frozen Finale

Few breeding programs in Brown Swiss history have left a legacy as deep, enduring and influential as Top Acres.

This Frozen Finale represents the final opportunity to acquire genetics directly from the lifetime work of Wayne and Connie Sliker. Every embryo offered here is the result of a mating Wayne himself carefully considered, planned and created—drawing upon generations of cow families he knew intimately and genetics he spent a lifetime developing and curating.

These are more than embryos from legendary Top Acres families. They represent Wayne's vision as a master breeder: purposeful matings built upon generations of proven, prepotent genetics that have influenced Brown Swiss herds around the world.

Together with the E91 Norwin daughter of Wizard selling the following day in the Eastern Breeders Sale, this marks the final offering from Top Acres—the closing chapter of arguably one of the most influential breeding programs in Brown Swiss history.

The genetics are proven. The influence is undeniable. The opportunity is yours.
