Welcome from Outfront Cattle Service

Welcome to a different look to the 2020 Southern Connection Sale. Due to Covid 19, we had to change locations to have the sale. With agreements from all participants and the Mountain Empire Association, that sponsors the Appalachian Classic sale, the decision was made to move the sale to Knoxville, TN.

The thing that hasn't changed is the high quality of offerings for this sale. We have a super group of consignments and consignors for this annual sale. You will have some very usable and proven genetics for herdsires, some outstanding Cigar daughters that are always in demand, and a couple of fancy open heifers that are some of the very best ever offered in this sale or any sale for that matter!

Kyle Reaves has two great daughters, one by New Standard 842 and his #1 Donor, M6 Cool Germaine 1145 P ET, that set major selling records at M6 sales. Another by his well-proven donor, 5003, an exciting daughter of LHD Ali Mark T214 and one sired by RBM Fargo Y111! Jason Blackwelder is selling choice of his best ET Equity daughters and his best ET JDJ Maximo daughters. Candy Sullivan is selling an exciting DC/CRJ Tank heifer and her dam! Faraway has reached back to bring foundation genetics from the original Avignon! Oak Hill is loaded with Cigar, Wyoming Wind, and New Standard daughters and ET progenies. And another topper is one of the best show prospects to sell in 2020, sired by M&M Outsider 4003, the dominating sire of the show ring! Plus, way too many to list here, but this is one sale you can be a true breeder adding these genetics and not just a multiplier of average cattle.

Come join us for one of the best sales ever!

Sincerely,

Dennis Adams

Selling Full Interest and Full Possession. Fertility and Trich Tested. This very muscular, solid bull has good scrotal measurements and good frame size. His dam traces to the Crews donor cow, Lady Cigar 812 that topped a May & Son sale. A prolific donor, she has been flushed and has 36 calves registered to her. More and more breeders are discovering how great the reputation for milking and fertility levels of the President daughters!

Selling Full Interest and Full Possession. Fertility and Trich Tested. This dehorned bull is big, rugged, and perfect-footed, ready to breed lots of cows. First Avignon son to be sold in 30 years or more. His influence is prominent in many of today's top bloodlines as a foundation sire. Many are familiar with Dbl Hooks Avignon FR 31, a very successful show sire. Two full brothers are retained in the herd and 2 full sisters for Donors. His dam is Buzhardt's great donor, OHF Vannar G123, who traces back to the great donor, JWK Vanessa D029.

Sells Open! WOW!! A super mating here! You can't design one much better than this elite combination. A Cigar son out of 1145 just topped the ONE Sale at \$4450 at only 16 days of age!! Her offspring constantly topped the M6 sale. In 2016 a daughter sold for \$36,000, a full brother to the daughter sold for \$30,000 and her offspring commanded \$165,000 in the M6 Dispersal sale. A great looking heifer with superb EPDs ranking in the top 10% WW, 15% YW, 3% Milk, 1% MTL, 6% CW, 3% REA, and 8% TSI! This heifer can represent your future!

PE from 8/1/20 to 9/18/20 to MCF Karots E600. This cow is a line-bred heifer, a half-brother x sister mating concentrating the Grid Maker genetics, (5-times). Sire is by WC Injector 3N2, a high selling bull of Webb's to Buzhardt Farms out of their top producing Miss Throttle Body 104 cow. Her offspring have topped several sales. Bred to a son of Grid Maker makes this a very interesting package!

52A: Polled ET heifer calf, born 8/30/20, from embryo mating of CCC WC Resource 417 x OHF Lady J227 P. A paternal sib to Lot 53, this very feminine granddaughter of Grid Maker and Fasttrack 82F adds strong maternal ability, calving ease, and performance. The sharp, fancy ET heifer calf is a full sib to the Lot 49A. Taking both of these packages home would enable you to have a very uniform, stout addition to any program.

53A: Pld heifer calf born 9/12/20, sired by OHF Ledger 8910. Another great milking Gridline daughter, with very sharp lines, correct, feminine, and sound. Notice she also traces to the great Cigar on the bottom side for added growth, thickness, and milking ability. Bred in the LMH herd, TN., this young heifer displays the consistent design of producing very functional, quality-oriented beef cattle.

PE from 7/25/20 to 9/16/20 to MCF Kratos E600. Our best heifer from the 2019 calf crop, she is very sound and attractive and should make a cow that hangs around for a decade or so. Line-bred 4-times to Grid Maker, plus multiple crosses to Supreme and Magic Doll cow families that are the foundation of our herd. Her granddam, Faraway 39X was a very successful in the showing, being in AICA's Top Ten list twice.

Bred A-I on 7/13/20 to DC/CRJ Tank E108, M905524. Represents probably one of the more important cow families in Charolais, the Nancy family. Her dam was a Mac 2244 daughter who was quadruple bred to the Nancy family closeup. In total this cow carries 6 crosses to the Nancy family. Her dam produced into her teens, so she'll have a good chance to hang around for a while.

MORE PROFIT.

Breeding good cattle isn't complicated. Cattle feeders give us the ultimate report card. According to Jared Wareham, Top Dollar Angus, *"No other option offers the greatest terminal crossbreeding value from the ranch through the feeder like a really good set of smokes or buckskins that are at least 50% Angus or Red Angus."*

Use a registered Charolais bull and genetic verification through CharAdvantage to earn more premiums.

Why?

- Market demand ■ Predictability
- Increased weaning & yearling weights
- Easy calving ■ More live calves
- Adaptability
- Value of Charolais-cross females
