TERMS OF SALE:

This is a virtual, online sale. Invoices will be sent immediately following the sale and immediate payment is expected.

TERMS OF SALE ON IVF SESSIONS:

Buyer is purchasing rights to control the next one to two IVF sessions on the donor.

Buyer is guaranteed IVF sessions until a minimum of 8 transferrable or frozen embryos are produced, or 2 IVF sessions are completed, whichever occurs first.

If buyer chooses to have Grade 3 embryos transferred or frozen, those embryos will be paid for at the winning bid price and will count toward the guarantee of a minimum of 8 embryos.

Embryo grades will be determined at the time of transfer or freezing by an AETA certified technician.

Buyer has the exclusive rights to all resulting embryos from the controlled IVF sessions.

Buyer is responsible for all costs of mating sire decisions, donor testing, and embryo shipment. Seller will pay all other costs of IVF embryo production which will occur at Trans Ova Genetics, Boonsboro, Maryland.

Price being bid is for one embryo.

The successful bidder will initially be billed for one embryo.

IVF sessions may be scheduled once payment is received.

Buyer will be billed for additional embryos once the embryos are produced.

If no embryos are produced, buyer will be refunded the original payment for one embryo.

Embryo donors are housed at Trans Ova Genetics, Boonsboro, Maryland so embryos may be **produced for export depending on export requirements of the country of destination.**
