

GREAT NORTHERN SALES ARENA

NOVEMBER DAIRY PRODUCTION SALE

NOVEMBER 16, 2021
Fond du Lac, Wisconsin

TERMS AND CONDITIONS OF SALE

TERMS: The terms are cash or cheque on sale day payable to Great Northern Land & Cattle Co., Inc., in U.S. funds unless other arrangements are made with the consignor and management prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. Compliance with the above terms or payment on the part of the buyer will then entitle him to the guarantees offered by the seller and listed below.

BIDS: The highest bidder shall be the buyer. Bidding parties or their agents are responsible for all bids placed. In case of dispute, the animal shall be put up for advance bids and if there be no advance bid the animal shall be sold to the person from whom the auctioneer on the stand accepted the last bid.

RISK: All animals are at the purchaser's risk as soon as struck off but will be cared for free of charge for 24 hours. Purchasers must make arrangements for care of their purchases beyond the 24 hour period. Animals are solely at the seller's risk prior to selling in the event of fire or any other eventuality.

CERTIFICATES OF REGISTRATION, RECORDING OR IDENTIFICATION: (Whichever applies) will be furnished by the seller showing transfer on the records of the Holstein Association to the purchaser and will be provided free of charge within a reasonable period of time.

WARRANTIES: The seller warrants clear title to the animal and the right to sell the same. All animals are sold to be straight and right in every respect unless otherwise stated. Embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each animal exactly as it is known. However, all animals are sold with no warranty that they are free of paratuberculosis. Examination of all purchases should be made immediately after the purchase and before the close of the sale. If found not to be as represented, such complaint must be reported to the sale management immediately (and in all cases before the close of the sale). In the event of default on the part of the purchaser to examine the animal, it is understood he assumes full ownership together with all risks and no representations of the seller can be challenged through the sale management. Heifers that have never calved are in no way guaranteed as to their condition following calving. No guarantee is made as to how much milk they will produce, freedom from hardware or disease; or that they do not have a displaced abomasum.

BREEDING: All females, either open or bred, are breeders to the best of the seller's knowledge and belief. However, no breeding dates or pregnancy can be guaranteed unless so announced at the time of the sale. Pregnancies 45 days and under are the finding of the veterinarian but no guarantee is implied. No guarantees are made as to the accuracy of any ultrasound pregnancy results listed or announced.

HEALTH: The results of any future health tests are not guaranteed. While precaution is taken to assure the buyers' protection from infectious diseases, buyers assume all responsibility for all cattle when gavel falls and auctioneer pronounces said animal sold. The seller and sale management hereby notify the purchasers that all animals are sold as originating from a maximum risk paratuberculosis herd unless otherwise stated by sale management. The seller and sale management cannot be held liable.

SHIPPING: Assistance will be given in shipping the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

PEDIGREE INFORMATION: All production, show or classification records have been supplied by the seller or consignor.

ERRORS: The material in this catalog has been carefully edited. If any errors or omissions are discovered they will be announced, such announcements to take precedence over the matter of print in this catalog. Neither the editors of the catalog, sale management, nor the seller can assume any responsibility for any errors or omissions in the catalog.

ACCIDENTS: The sale management, the sellers and the owner of the grounds will not be responsible in any way for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

RESPONSIBILITY: In submitting the entries and in selling animals listed in the sale, the seller subscribes to the various sales regulations and warranties as above set forth and assumes full responsibility for his animals. All representations are made by the seller. In no case, however, will the seller be responsible for any damages beyond the selling price of the animals. Great Northern Land & Cattle Co., Inc., as Sale Manager, assumes no responsibility, acting only as agent, but will endeavor to protect the interests of both buyer and seller.

NOTE: You are respectfully requested to read the above terms and conditions of this sale, which constitute a legal contract between the Seller and Buyer of each lot, mutually binding in the event of any dispute. Having taken every reasonable precaution to fairly represent the health, breeding and physical condition of each animal, no further guarantees or retest privileges are given and all sales shall be considered final. Above warranties cease when the animal is disposed of by the original purchaser.
